## **CREATE and SMART: Working towards Singapore's Smart Nation Vision**

SMART's contributions to the Smart Nation vision were showcased through a series of events, such as Tech Saturday held at Suntec City on the 25th of April 2015. Attended by Assoc Prof Dr Yaacob Ibrahim (Minister for Communications and Information) and up to 10,000 visitors, members of the public and tech community learnt about how SMART aims to harness technology to improve Healthcare (BioSyM), Environment (CENSAM) and Mobility (FM).

The outreach efforts of SMART Researchers at Tech Saturday have been picked up on local media. Check out the report on Channel 8:
