### Future Forward S2

Tuesday | 8:00 PM

We seek out big ideas on the future and fresh perspectives on moving forward. We look at global topics with a long term perspective and consider how Singapore is affected by changing trends. We discover what matters in this world of ours.

#### Towards a Smart Nation

CATCHUP Episode 12

Technology is all around us, in our lives and in the places we live. Here in Singapore, the aim is to be a Smart Nation. But what is a Smart Nation and how do we benefit from one?
